February 28, 2022

Dear Alpha Kappa Muans,

As we approach the official beginning of the spring season, I encourage you to take note of new beginnings all around you. We who are in warmer climates are already hearing the birds sing and seeing the flowers bloom. But whether you're witnessing this activity in your region or not, I hope you feel excited about what is in store for Alpha Kappa Mu Honor Society!

We are weathering a worldwide pandemic—holding regular advisor, director, and executive council meetings, hosting our first virtual national convention, increasing our inductions, chartering new chapters, welcoming new advisors, securing a social media coordinator, and even creating “The Brown-Morris Graduate Scholarship!” Named in honor of our two longest serving executive secretary-treasurers: Dr. Mollie Brown and Dr. Ann Morris, this scholarship serves as another opportunity for AKMuans to receive financial assistance and, unlike the Gore-Crawford Scholarship, targets our ever-growing graduate student population. The committee is preparing to receive its first round of applicants in 2022-2023; therefore, expect to receive additional information on how you can apply for and/or give toward this campaign soon.

We are also gearing up for the return of our Regional Meetings. In earlier years, these gatherings were a means by which members could stay connected between biennial conventions and took place in person. However, with abounding technological advances, we can now facilitate meetings that extend beyond our designated borders. The ongoing collaboration between regional directors and chapters is truly inspiring, as it shows what we are capable of when we rally around a common goal.

Springing forward, let us all engage in activities at the chapter, regional, and national levels; together, we can assist our beloved Alpha Kappa Mu in realizing its fullest potential.

Sincerely,

*Veronica A. Yon*

Veronica Adams Yon, Ph.D.
